We strive to be a good corporate neighbor and are pleased to support many non-profit organizations through Smith's Neighbor to Neighbor fund. We donate certificates to be redeemed for products for your event. Our support is directed primarily to local groups that help to educate, eliminate hunger and promote the good health of women and families. Because we receive more worthy requests than we can favorably support, please observe the established giving criteria and remember that most responses will not exceed \$50 per year. For cash grants please visit www.smithscommunity.com for more information.

Many groups qualify to get Smith's gift card sales program as an easy fundraising tool. Please call 888-873-4438 or email giftcert@sfdc.com for more information.
